

## Chasing the Moon

By A. Lee Martinez

Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, Chasing the Moon, A. Lee Martinez, Diana's life was in a rut - she hated her job, she was perpetually single, and she needed a place to live. But then the perfect apartment came along. It seemed too good to be true - because it was. As it turns out, the apartment was already inhabited - by monsters. Vom the Hungering was the first to greet Diana and to warn her that his sole purpose in life was to eat everything in his path. This poses a problem for Diana since she's in his path, and is forbidden from ever leaving the apartment. It turns out though that there are older and more ancient monstrous entities afoot - ones who want to devour the moon and destroy the world as we know it. Can Diana, Vom, and the other horrors stop this from happening? Maybe if they can get Vom to stop eating everything, and everyone.
