Studies show that the foundation for an emotionally healthy teen girl is built between the ages of 8-12 and that a good relationship with mom is one of the most important factors. So when the world wants girls to grow up too fast, how does a mother help her young daughter navigate the stormy waters of boy-craziness, modesty and body image, media, Internet safety, and more? With a warm, transparent style, Dannah Gresh shares six ways a mom can help protect and guide her daughter, including: help her celebrate her body in a healthy way; unbrand her when the world tries to buy and sell her; unplug her from a plugged-in world; and, dream with her about her prince, and more. This wonderful resource also provides moms a Connection IQ Inventory to test their mom-daughter relationship, creative and fun activities to do together, and Scriptures for the mom to pray for her daughter.
