THE GOOD REMEMBERING

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Good Remembering, Llyn Roberts, From the foreword: These are exciting times to be alive! While it may seem that the world is heading into a state of chaos, a more accurate description would be evolution. Times of evolution, like the birth of a child, are exciting, if not exhilarating. And these are exciting times. Of course, not everyone who sees change coming embraces it. Being forced to move outside our comfort zones often causes tension and anxiety. But with exposure to any change, the distant becomes familiar, the unknown becomes known. Let there be no doubt. We as a human species, on the living planet we call earth, are undergoing change. This change which is upon us is not a well-kept secret in the universe. Signs and prophecies have foretold the coming changes for millennia. "The Good Remembering" tells us that the veils are disintegrating, like a cocoon that can no longer hold back the wings of flight. "The Good Remembering" invites us, encourages us to get off our feet and continue on the spiritual path toward home - to spread our wings and fly. Through my journeys on the human path, I have come across many books and sources of information claiming to help lift the veils of illusion and enlighten those who take their message to heart. Some channels and sources of transmission seem to convey their message with a touch of static or ego sifting. I have found Llyn's message to be a clear transmission, and although it is...
