ENERGY OPPORTUNITIES AND SOCIAL RESPONSIBILITY

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Energy is an indispensable resource that is required to run the economy and sustain the well being of people. The rapidly developing economies of Third World countries like China and India need to generate increasing amounts of energy as they grow. However, the situation has become complicated after discovery of the functional linkages between CO2 emission from fossil fuels like coal and petroleum. Hence, there is a global search for carbon...
