In one letter it is said that these remedies are not cheap compounds, but a scientific treatment skillfully prepared at a great expenditure of time and trouble from rare and costly medicines, and under my personal supervision solely for this case ; that what you want is a cure, and my experience tells, that a system like my own, aiming at permanency of results is really the one worthy of your attention. These so much-needed medicines are now within your reach and it rests entirely with you to decide. If you wait it may be forever too late; but if you do your part promptly, I do not hesitate to predict a grand success ; that you know the sad consequences of delay and I honestly believe there is no such thing as fail in this case. In another of this series of...
