About the Author Lacey Marie Lau graduated from La Roche College in 2014 with a major in professional writing and journalism, and she also minored in literature and marketing. She wrote a fashion blog for her college for the four years she attended, as well as articles for their newspaper, The Courier. Her special interests include reading, photography, and music. Lacey always dreamed of becoming a writer, so she started when she was in eighth grade. She started off on a website called Quizilla, which took up most of her free time, but once that website changed, she moved to Mibba, which is where this book was originally formed in 2008 prior to revision. These websites are what inspired her to want to write, along with the people on them.
