OCLC Number: (OCoLC)35681370 Subject: Cruise missiles -- Design and construction. Excerpt: . . . B-259275 DOD DOD provided official oral comments on a draft of this report. generally Agency Comments agreed with our findings, but it indicated that the recommendation in our and Our Evaluation draft to postpone the acquisition of more test missiles was now moot DOD no longer planned to buy additional test missiles in view of because the Secretary of Defenses decision to cancel the program. Accordingly, we dropped our recommendation. We reviewed acquisition plans, results of ground and flight tests, TSSAM Scope and cost estimates, cost and effectiveness analyses, budget requests, and plans Methodology to acquire additional operational test missiles. We also reviewed program management directives and status reports, changes to the development contract, and contract performance and funding status reports. We s cost, acquisition strategy, and the programs technical, TSSAM discussed performance, and manufacturing difficulties with Army, Navy, and Air TSSAM Force officials at the Joint Program Office at Wright-Patterson Air TSSAM Force Base, Ohio. We...
