Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In his philosophy Dr. Stack offers a simple guideline: a person should be good to his family, to his country and to the world in his lifetime. In this book he offers twenty three short stories, all personal experiences. They include incidents depicting the wrath of nature, interactions with unique individuals and animal adventures. To see incidents as they portray themselves in real life and to write about them, Doc Stack feels, is a way of preserving information from which lessons can be learned. To write it down and share it is the best way of knowing that it is not lost. So feel free to read and enjoy what I have captured on paper for you.
