By A P Knight

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Chemistry for High Schools All the text-books on Chemistry authorized for use in the Public and High Schools of Ontario contain far too much matter for class purposes, and as a consequence many teachers have been compelled to teach the subject by the use of notes. This little book has been prepared chiefly for the purpose of lessening the labor of note-making on the part of teachers, and of note-taking on the part of pupils. It will require to be supplemented by explanations from the teacher, for whose use most of the ordinary text-books on Chemistry seem designed. No apology is necessary for the insertion of a large number of chemical problems. On the utility of these as a means of teaching the subject, Professor Roscoe says: My experience has led me to feel more and more strongly that by no other method can accuracy in a knowledge of Chemistry be more surely secured than by attention to the working of well-selected problems. On this same point Professor Cooke, a leading American chemist, says in...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
