

Pregnancy's Little Headaches: Before the Big Day!

Filesize: 6.51 MB

Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

(Alec Langosh)

Rock Point. Hardback. Book Condition: new. BRAND NEW, Pregnancy's Little Headaches: Before the Big Day!, Race Point Publishing, Congratulations! You are expecting a wonderful new bundle of joy to treasure and love. That's nice. Flash forward and we feel your pain. The Pregnancy's Parents Little Book of Headaches pokes gentle fun at the crazy, bumbling nine first few months of pregnancy parenthood. What you once loved (food, your husband) now smells utterly revolting. Your hands go numb. This can happen if you've suffered carpal tunnel before when your arms and fingers become swollen (you've noticed you can't remove your wedding ring anymore, right?). Leg cramps and massive morning sickness (more like all day sickness) Wake up drenched in sweat? You might be pregnant. But when you see that new baby smile, you know it was all worth it!.
