HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Does the Noise in My Head Bother You?: The Autobiography, Steven Tyler, David Dalton, The long-awaited, never-before-told, no-holds-barred memoir from the legendary Aerosmith frontman. Finally, all the lurid tales of debauchery, sex, drugs and rock n' roll are told straight from the horse's lips as The Demon of Screamin' describes his unimaginable highs and unbelievable lows as lead singer of the biggest rock band in the world. By 1980 it seemed that the band and its members were set to implode, but after successful stints in drug rehab, Aerosmith were back on track and better than ever. But although he may have given up his wicked, wicked ways, Tyler still enjoys...
