

The Marketing Cynic's Reader

By Edward Moss

Management Books 2000 Ltd, 2000. Paperback. Book Condition: new. BRAND NEW, The Marketing Cynic's Reader, Edward Moss, This informative work takes a sideways and sometimes irreverent swipe at the business of marketing, whilst offering sound and experience-based guidance about the whole gamut of marketing communications. In order to get the reader's creative juices flowing, Edward Moss adds a wide range of illustrative examples to his descriptions of marketing communications and presentations. His long experience in the business has given him a rich seam of alarming, highly comical and downright scary examples of marketing people getting it seriously wrong - and seriously right sometimes too. He adds also a number of what he calls his soap-box meanderings whilst tripping lightly through the marketing minefields.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
