WHIRLWIND: THE AMERICAN REVOLUTION AND THE WAR THAT WON IT (PAPERBACK)

DOWNLOAD

Bloomsbury Publishing PLC, United States, 2016. Paperback. Book Condition: New. 235 x 155 mm. Language: English . Brand New Book. Written in the authoritative and narrative-driven style that made his books *The Ascent of George Washington* and *Jefferson and Hamilton* critical and commercial successes, John Ferling's *Whirlwind* will become the definitive history of the American Revolution for our time. A master historian and superb teller of history, Ferling illuminates the years 1763 to 1783--from the end of the French and Indian War that left England triumphant in North America to the signing of the Treaty of Paris in September 1783 and the final departure of British troops from New York City in November of that year. Ferling is as astute at analyzing the causes and politics of the American Revolution as he is skilled at narrating the battles of the Revolutionary War. With original insight, he chronicles the myriad and complex events and contentious viewpoints that drove Americans in their insurgency against Great Britain and sustained them in the seemingly quixotic belief that they could win their independence. He takes us to the halls of power in Parliament and the streets of London to view the Revolution from all British perspectives. He presents the individual battles, from Lexington and Concord to Yorktown, in a fresh and dramatic new light. With a wide scope and penetrating insight, embracing characters both celebrated and unknown, John Ferling brings the most important event in America's history to a new generation of American readers.
